

Mathew Stephenson, NFCA 2nd Vice President

**Commercial Fireproofing, Inc.
10808 Bekay St. – Dallas, TX 75238
217-503-7762**

Mathew Stephenson is Estimator, Project Manager at Commercial Fireproofing & Insulation based in Dallas, TX.

Mathew's experience as a journeyman carpenter brings field knowledge to his roles in management at construction contracting companies. He has been a Project Manager/Estimator, Fireproofing Division Manager, Safety Manager in both fireproofing and general contracting. He has also been involved in commercial insulation, waterproofing, spray foam insulation and firestopping. His formal training includes OSHA500 as a Certified Training instructor, Red Cross CPR/AED Instructor, fork lift operator, and much more.

Mathew's 15+ year history in the Fireproofing industry brings a wealth of knowledge to the NFCA Board of Directors. He serves as a NFCA DRI for the company.

Mathew can be reached at mstephenson@commercialfireproofing.com.
